August 26, 2010

Dear Parents,

We are officially in the 2010 Bearcat Season! We started the season with a running start! We are looking forward to this season, and hope you and your family enjoy! Please assist us by signing up for Home Game Concessions with Juanita or Arlice at the Administration Tent. It is important that all parents make a point to volunteer, or send a family member to volunteer a few games out of the season. Last but certainly not least, please be sure to communicate when your child will be late or absent from practice. It is important that all coaches know if and when a child will be out. Lack of notification may result in your child not being able to play or cheer at games. Thank you in advance for your cooperation!

Sincerely,
Capital City Bearcats Board of Directors
